WOMEN EVERYWHERE

Praise Lydia E. Pinkham's Vegetable Compound as the Greatest Remedy for Woman's Ills.

New Haven, Conn.—"For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does others as much good as it has me I will be very much pleased."—Mrs. CHARLES E. MORGAN, 37 Sea Street, New Haven, Conn.

The reason Lydia E. Pinkham's Vegetable Compound is so successful is because it contains the curative, strengthening properties of good old fashioned roots and herbs, which act directly on the female organism.

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Pinkham's Vegetable Compound.

Such women should not give up hope until they have given this wonderful medicine a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of 40 years' experience is at your service.

Committee Selects Site For New Log Cabin School

The committee composed of Supt. Edwards, Balis Wilson and A. C. Daniels, to investigate the building site for the Log Cabin school house have completed their investigation after having met in the locality recently with the patrons. All were very enthusiastic for the new building, manifesting their interest by showing the committee every courtesy. A new site was selected which was agreeable to the entire district. The site, two acres of land, was donated by Mr. Peter Barclay, who is always working for the benefit of his community. The site is to be surveyed Tuesday, the 25th, after which work upon the building is to be started at the earliest possible date. After this business was concluded, the committee were entertained with an elegant midday meal at the home of "Grandfather" Pittman. The new school building is to be ready for occupation for 1919 term, and thus the first new building for 1919 is assured by the prompt action of Superintendent Edwards and the County Board of Education, leaving, however, numerous other work to be fulfilled for the coming year.

F. H. GORDON
COAL and FEED

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

White Hall Farmer Dies

James Riddell, a prominent young farmer of the White Hall community, died at his home there Friday afternoon of influenza-pneumonia, after a short illness. His wife, who with three little children, survive, is also critically ill, and they have the deepest sympathy of many friends in their fearful loss. Mr. Riddell was just 31 years of age. He was a member of the Republican Baptist church and liked by all who knew him. Funeral services were conducted Monday morning by Rev. D. H. Matherly, followed by interment in the Richmond cemetery.

WALLACE FOR TREASURER

In his political notes in the Cincinnati Enquirer Sunday, the Kentucky correspondent said: James Wallace of Irvine, aspires to the nomination for State Treasurer, but the organization makers say if J. W. Perkins, of Frankfort, is to go on the ticket, Wallace will have to wait, since that would make two men from the Seventh congressional district.

MEDICAL SOCIETY MEETING

The regular monthly meeting of the Madison County Medical Society will be held in the office of Dr. Scudder, Wednesday, February 26th, at 7:30 p. m. Papers will be read by Drs. Williams, Phelps, and Cowley.
